الملخص:

Public transactions and a legal policy are important in the hands of the public authority to help them complete the processes related to the operation and processing of public facilities, and a tool to address threats to security and public health, Organized by the legislator under Presidential Decree 15-247, however, with the corona epidemic and its effects, and the urgency it requires to prevent it, The legislator intervened to adapt the procedures of public transactions in line with the epidemiological situation by issuing presidential decree 20-237, which raises many problems On the scope of its application and the measures taken by the legislator in terms of adopting the simple consent formula as a general rule in the conclusion of public transactions, rather than the method of requesting offers and compromises after consultation, Even more so through the possibility of the implementation of the service by the economic customer even before the conclusion of the transaction on the basis of a reasoned decision of the competent authority to settle the transaction within the following 10 months.

Abstract:

Public transactions and a legal policy are important in the hands of the public authority to help them complete the processes related to the operation and processing of public facilities, and a tool to address threats to security and public health, Organized by the legislator under Presidential Decree 15-247, however, with the corona epidemic and its effects, and the urgency it requires to prevent it, The legislator intervened to adapt the procedures of public transactions in line with the epidemiological situation by issuing presidential decree 20-237, which raises many problems On the scope of its application and the measures taken by the legislator in terms of adopting the simple consent formula as a general rule in the conclusion of public transactions, rather than the method of requesting offers and compromises after consultation, Even more so through the possibility of the implementation of the service by the economic customer even before the conclusion of the transaction on the basis of a reasoned decision of the competent authority to settle the transaction within the following 10 months.

key words:

Implementation of the service - settlement of the deal - reasoned decision - urgent urgency - CORONAVIRUS - simple consent.
