Abstract:

The Corona pandemic has worked to upset the scales of the world, and since public deals are the primary tool on which the state depends in managing public finances, and in order to implement public policies, and since the public finances in Algeria have been affected by the Corona pandemic, the field of public deals is in turn known to be greatly affected. In order to face the repercussions of the pandemic, a set of procedures for

() _____
concluding public deals have been approved in accordance with Presidential Decree 20-237, amended and supplemented by facilitating the procedures for concluding them, as all deals will be carried out according to a consensual procedure until the end of the epidemic.
