Year: 1st year Students

Academic year: 2021/2022

Groups: 01, 04, 09, 10 and 15

Second Semester English Exam

The communication process is the guide towards realizing effective communication, it is through the communication process that the sharing of a common meaning between the sender and the receiver. Effective communication leads to better understanding; it is made up of seven key components. In a form of an essay, what are these components?
