

The teacher's Role:

1. The teacher should create a healthy environment for agreement and disagreement.

2. The teacher should be interesting to keep learners engaged.

3. The teacher should be secure and confident in what they say and do.

4. The teacher should be respectful towards the students and their knowledge.

5. The teacher should have a contagious enthusiasm for teaching.

6. The teacher should be creative.

7. The teacher should add pace and humor to the class.

8. The teacher should challenge learners without discouraging them.

9. The teacher should be encouraging and patient.

10. The teacher should take time to answer questions after class.

11. The teacher should treat learners equally.

12. The teacher should leave emotional baggage outside the classroom
